The French Department and students of Grade 11 organized an event- French Immersion on 21st December 2021. Four students organized the event: their role was to plan and execute the event. They managed to put together the decor / ambiance suitable for the event within a day's time. Further, Grade 11 students took active participation and showed their enthusiasm. The main motto behind this event for the students was to get acquainted with French culture with fun-based learning activities. DP teachers and leadership team were present during the event.
